

***And God raised the Lord and will also
raise us up by his power.***

1 Corinthians 6:14

Families,

I am excited to begin my ministry career with Unity Baptist Church. My family and I have lived in Newnan for fifteen years and have been at Macedonia Baptist Church for the last 6 years. My family includes my wife, Jessica, our four children, Jewel, JD, Jayce and Juliette and myself, Joshua. In 1996, I became aware of my calling into full time ministry. However, I was also aware that it was a season of preparation for me. I chose to attend college at Atlanta Christian College to begin that preparation. While there I met the woman who would become my wife in 2001. Due to the choice of beginning a family, I took a break from college to work fulltime in the construction industry. This was an opportunity for my leadership skills to be molded. Following this time I was a stay at home father for two years. During that time I volunteered at Beulah Baptist Church in the children's ministry.

Soon, my family began to grow in numbers and the children needed something closer to the house in order to be a part of the children's ministry activities. We found Macedonia Baptist Church. There I once again became very active and developed great friendships that will last a lifetime. During my volunteer service at Macedonia, I was employed fulltime at a school as the music teacher. For the past five years my wife and I have had the pleasure of working together at the same school.

However, I have known for years that my calling was children's ministry. In order to follow the call, I went back to school and completed my degree at Point University in Christian Ministry (Point University was Atlanta Christian College). Upon completion, I began sending my resume to churches looking for children's ministers all over the south east. My family and I had accepted the fact that God may possibly call us to leave our home as He has so many people throughout history.

A pleasant surprise for my family was that God sent us here to Unity, a church that is 3 miles from our home. My intentions for the ministry are to show the families within our church as well as the families of the community God's Love. This will be accomplished through a variety of programs that include Awana, SONshine Club, Sunday School and Children's Church just to name a few.

Serving Christ,
