

Unity Baptist Church

Praise Team Leader

Lori Scarbrough

I have a sincere passion for praise and worship. It has been a privilege to serve as worship leader at Unity since August of 2014. My goal in leading worship is to reach every generation and worship style in our services. We have a blended music ministry where the goal of each and every type of music we sing or play is to glorify our Lord and Savior! The Psalmist says, "With singing lips, my mouth will praise you" (Psalm 63:5) My personal prayer is that everyone in our worship services not only sees but feels that passion we have for Jesus as we praise His name together!

My husband Zane and I have lived in Newnan since 2006. We have two beautiful children, Turner and Lindy who keep us busy and on our toes. If you have any questions about our music ministry, please feel free to email me at lori_scarbrough@hotmail.com.
