

First, let me thank you for visiting our web-site. Allow me to give you a snapshot of who we are in Christ. In the unity of God's Spirit, we are:

*Christ Centered*

*Bible Based*

*Prayer Empowered*

*Worship Inspired*

*Disciple Oriented*

*Evangelistic Missions Minded*

Unity is a multigenerational, family focused church, where we believe Christ-centered relationships are essential to being a Healthy Kingdom Church.

Our worship is a Spirit filled, enthusiastic, blended style with lots of freedom, but where it still feels like church!

Unity is a church where we believe we are:

*"To Love and To Serve!"*

Unity there's nothing like it . . .

Come be our guest at Unity where it feels like home.
